## PRESIDENT'S MESSAGE

The lives of heroic men are always challenging because they are inspired by the dynamic conviction that man with God is great and that he has been given something great to do despite his times and circumstances. Cowards are unwilling to accept opportunity, fearful to undertake to completion the great task at hand, too prone to blame others, too easily discouraged along the way. You must have an overwhelming faith in the importance of the work you have to do. St. La Salle had such a faith in the Christian education of youth, and from him La Salle College has inherited her faith in the importance of your education.

Christian education aims at the perfection of the whole man—his spiritual, intellectual, physical, and social perfection. Life and living are more complex than just one Sunday Mass, one biology lesson, or one successful basketball season. Education is more than training for making a living; it is training for living. La Salle College wants to give you such an education. Cooperate with her. Take advantage of what she has to offer.

The unselfish, well-trained, professional men who make up the teaching faculty at La Salle work together for your development toward perfection. So too, dedicated men are at your service in the persons of your counselors and advisers in the Deans' Offices, the Counseling Center, the Chaplain's Office, the Medical Center, the Office of Housing, the Athletic Office, the Office of Student Organizations, and many others. Go to them. Cooperate with them for your greater good—for your preparation to face successfully the crises of this troubled world.

LA SALLE COLLEGE UNION BUILDING

## HISTORY OF THE COLLEGE

1. Beginning with its inception in 1863 in Saint Michael's Parish, the College outgrew three locations—the Academy site in the parish; the site at Broad and Juniper Streets, until a few years ago the location of the *Evening Bulletin* Building, and the old Bouvier Mansion at Broad and Stiles Streets. In 1929, the College was transferred from Broad and Stiles to a new location in beautiful Wister Farms. The new buildings were ready for full occupancy in 1930, housing the College, the Secondary Department and Benilde Academy.

2. The growth of the College continued. The numbers of students enrolled in the College and in the secondary department far exceeded the expectations of the founding Brothers. It became impossible to accommodate the many applicants. Additional property adjoining the original purchase was acquired and plans were formulated for expansion.

3. The return of the veterans from World War II placed a heavy demand on the facilities of the College. With the assistance of temporary facilities secured through Federal Housing Agencies, the College accepted a peak enrollment of over twenty-three hundred veterans.

4. In 1946, the College inaugurated an Evening Division in response to many demands from men in Industry and Business. After thirteen years, the enrollment in the Evening Division has grown beyond 2000, and the facilities of the College have been strained beyond normal capacity.

5. Long an urban institution, serving metropolitan Philadelphia and the surrounding communities, the College was finally forced to yield to the demands of out-of-town students for campus accommodations. Accommodations in the campus residence halls are limited to two hundred and seventy-five. Each year marks further growth and development and the College again has reached a level where it must expand

to meet the increasing demands made upon it.

6. In 1951, the beautiful Dixon Estate in Elkins Park was purchased to serve as a location for the young men preparing to be Brothers and who are in attendance at the College. The Elkins Park campus has on it Anselm Hall, the training college for the young student Brothers, named after Brother Anselm, for many years president of the College.

7. In 1955, because of vast growth and development, the College reorganized its administrative patterns and created several schools to better serve the student body. The traditional liberal arts structure of the College program gave way to separate schools of Arts and Science and Business Administration with sessions being conducted in the Day and Evening.

8. The latest phase of the College's growth and development is evidenced by a new College Union Building, dedicated in the Fall of 1959.

## FACULTY OF THE COLLEGE

The faculty of La Salle College is composed of Brothers of the Christian Schools and laymen who have devoted their lives to Christian education.

The Brothers, following the traditions of their founder, Saint John Baptist de La Salle, the Patron of all Teachers, are dedicated to the Christian education of young men. Their lives are consecrated to holiness and scholarship, for it is in these ideals that true education must be fostered. Father Lord, S.J., describes well their vocation as teachers: "Without the possible distractions of the priesthood, the Brothers give their undivided energies to the men in their classes. . . . Divided from them only by thin lines of a religious habit and the tremendous but invisible wall of their vows, they can win confidence, solve problems, and offer sympathetic understanding. They are teachers lifted to supernatural heights by their consecration."

The three letters F.S.C. found after

the name of a Brother are the initial letters of three Latin words, namely, *Fratres Scholarum Christianarum*. These words translated mean Brothers of the Christian Schools.

The priests and laymen of the faculty are selected because of special qualifications in their fields of endeavor and for their adherence to the principles of Christian education exemplified in the philosophy of Saint John Baptist de La Salle.

## OBJECTIVES OF THE COLLEGE

La Salle College is a Catholic college for men, conducted by the Brothers of the Christian Schools, a religious congregation of teachers founded by Saint John Baptist de La Salle. The College, as a Catholic institution of higher learning, accepts as a basic purpose that which is fundamental to the whole system of Catholic education, namely, the development of the supernatural man who, in the words of Pope Pius XI, "thinks, judges, and acts constantly and consistently in accordance with

right reason illumined by the supernatural light of the example and teaching of Christ; in other words, to use the current term, the true and finished man of character."

The College strives to accomplish the following for all students:

- 1) to give to the student a higher education based on the principles of Christianity;
- 2) to develop the student intellectually so that he might learn to think critically and reason logically;
- 3) to prepare the student for responsible citizenship by acquainting him with the foundations of American democracy as they have evolved in the processes which created our Western civilization;
- 4) to foster in the student the development of an integrated personality which requires that he be provided with an opportunity to satisfy the intellectual, moral, social, emotional, recreational and vocational needs

according to norms proper to a cultured Catholic gentleman;

- 5) to make available to the graduates of Catholic high schools of the area, and in particular, to young men in moderate economic circumstances, an opportunity for a higher education.

To realize these objectives as completely as resources permit, the following standards guide the efforts of the faculty:

- 1) Courses in religion are included in every program of instruction. Formal instruction is supplemented by religious services, student retreats, class prayers, religious organizations, and, in general, by a Christian atmosphere on the campus.
- 2) Courses in philosophy are required in every program of instruction. These help the student to integrate his knowledge, to develop independent and responsible thinking, and to evaluate critically various philosophical systems.

- 3) All students are required to follow the course in World history to help them appreciate the forces which have molded our present civilization. This instruction has for its purpose the orientation of the student in much of the reading, discussion and information which mass media of communication bring to the public today.
- 4) The personnel program offers to the student services and opportunities which complement the instructional program—social and cultural activities, a program of co-curricular activities, intercollegiate and intra-mural athletics, professional services in the field of vocational and religious guidance.
- 5) The College has consistently maintained modest tuition fees and a generous student-aid program to make a higher education available to as many deserving students as possible.

Consult the College catalog (pp. 33-36) for a complete list of fees and deposits.

La Salle College reserves the right to amend or add to the charges listed below at any time and to make such charges applicable to students presently enrolled as well as to new students.

### *Acceptance Deposit*

An acceptance deposit of \$25.00 is required of all new students. A student's acceptance shall not be considered official unless his remittance for this deposit accompanies his "Confirmation of Acceptance." Upon registration and attendance the \$25.00 paid will be credited to the student's tuition account. If the student fails to register and attend, the deposit shall be forfeited.

### *Pre-College Testing and Counseling Fee*

A fee of \$20.00, for pre-college testing and counseling, is charged to all

incoming freshmen and other newly matriculated students. This fee, which must be paid on or before the date of the first test, covers the cost of the administration of a battery of psychological tests and interviews (Catalog, p. 55).

### *Tuition*

A single tuition fee covering the regular academic year of two semesters, for students carrying a normal schedule, is charged as follows:

Major areas of concentration in the sciences .....	\$700.00
Major areas of concentration in business administration and in liberal arts .....	\$680.00

This comprehensive tuition fee covers all educational and standard expenses. With the exception of room and board (Catalog, p. 57), and books and supplies, there are no additional fees for matriculation, registration, use of laboratories, libraries, athletic facilities, dispensary services, the student news-

paper, and the attendance booklet for intercollegiate athletic contests.

A normal schedule is defined as that standard schedule prescribed by the school or department, which shall be not less than 12 credit hours and generally not more than 18 credit hours per semester.

The tuition fee for part-time students in the day program (taking less than 12 credit hours per semester) and for full-time students taking more than the normal schedule is \$20.00 per semester for each credit hour of part-time work and for each credit hour in excess of the normal schedule.

### *Deposits*

ROTC Deposit. Students enrolled in the advanced course ROTC are required to make a deposit of \$50.00. This deposit is to indemnify the College for possible loss sustained in commutation allowance from the United States Government where a student's interruption of course is caused for reasons other than that of "At the

convenience of the Government." This deposit will be refunded to the student at the completion of the course; or in the case of "Termination at the convenience of the Government" when the student returns his uniforms and equipment to the Military Department.

### *Residence Halls*

The cost of room and board for resident students is \$775.00 per year. When making application for accommodations in the Residence Halls, the applicant is required to include with his application a Reservation Deposit of \$25.00. Upon occupancy, this deposit is credited to the Resident Student's Damage Deposit Account. In the case of voluntary non-occupancy, the Reservation Deposit is forfeited. (Catalog, p. 57.)

### *Other Expenses*

Books and Supplies. The average cost of books and supplies for the school year is about \$60.00. All books and supplies, personal needs, and many

other items may be purchased at the Campus Store. The Campus Store makes no provision for the granting of credit. The student should be prepared to pay for such purchases.

**Health Insurance.** A Surgical-Medical Group Insurance Plan, covering the full twelve (12) month year, is provided at an annual cost of \$25.00. This insurance program is required of all foreign students and it is recommended to all students not covered by a similar surgical-medical plan. Complete information regarding the plan may be obtained by applying at the Office of the Dean of Students.

### *Financial Arrangements*

One-half of the annual tuition fee is due and payable on or before the first day of each semester, and must be paid within ten (10) days thereafter. No reduction is made in the case of late registration. Checks, drafts, and money orders should be made payable to the order of La Salle College and presented in person or mailed to

the Office of the Bursar, Room C101, College Hall.

### *Financial Delinquency*

Students delinquent in the payment of tuition or other fees, or against whom the College holds record of indebtedness shall forfeit the privilege of attending class, and the College shall have the right to delay government benefits, if any, withhold semester report grades, transcript of records, and diploma of graduation until such indebtedness is paid. Students who have not settled their account by the close of the semester will not be permitted to register for the succeeding semester unless the account is settled.

### *Refund or Remission of Tuition*

For reasons which the College shall consider valid and within the time limits set forth below, a student who withdraws before the end of the semester may receive a refund or a remission of part of the unpaid balance of his tuition fee.

A refund or remission of tuition fee is not automatic. An application must be filed in person or by mail on the form provided for the purpose with the Bursar of the College. If the student is prevented by illness or any other reason from obtaining the prescribed form, he should address a letter of request to the Bursar of the College, Room C101, College Hall, La Salle College, Philadelphia 41, Pennsylvania. The letter must be accompanied by the evidence of involuntary withdrawal.

An application for refund or remission shall be considered if the following restrictions are satisfied:

1. The continued attendance by the student is made possible by conditions clearly beyond the control of the student. Reasons over which the student has a choice of decision will not be considered, including scholastic difficulties or lack of interest in the educational program, or required withdrawal because of disciplinary action by the College.

2. The date of withdrawal is within the refund or remission period as established by the College and as outlined below.

The refund or remission period is defined as the first eight (8) weeks of the semester for which the tuition fee is paid. No application will be considered when the date of withdrawal is after the final date of the refund or remission schedule.

### *La Salle College Bank Loan Plan*

Some students, or parents, may find

it necessary to pay tuition fees in regular monthly installments. To better serve its students and to enable qualified high school graduates pursue a college program of studies, La Salle College has established a plan through its banking facilities whereby the student or parent may pay tuition fees on a selected schedule in fixed monthly installments.

The plan provides that the banking facilities of the College will make low-interest loans to the student or parent, covering the total annual tuition fee and/or room and board. The student or parent shall have the privilege of repaying the loan in equal monthly installments during the usual eight (8) month period of the regular academic year, or over a period of twelve (12) to eighteen (18) months, or that the total four (4) year College expense may be paid over a period of from forty-four (44) months to sixty (60) months, or from four (4) to five (5) calendar years.

The student or parent may enter the College Bank Loan Plan at any time during the student's college program. The maximum payoff periods for students entering the plan after the completion of the Freshman year are (a) beginning with the Sophomore year forty-eight (48) months; (b) beginning with the Junior Year, thirty-six (36) months; (c) beginning with the Senior Year, twenty-four (24) months.

Further information regarding the College Bank Loan Plan may be obtained at the Business Office of the College, Room C212, College Hall. No other general plan for paying the tuition fee, or room and board, on a deferred basis will be available. Veterans attending under Public Law 550 are required to pay their tuition fee or other obligation, under the same regulations as prescribed for non-veterans.

*National Defense Student Loan  
Program*

A limited sum has been provided by

both La Salle College and the Government of the United States for the purpose of making loans to students under the provisions of the National Defense Student Loan Program.

The purpose of the National Defense Student Loan Program, as established under Title II of the Federal National Defense Education Act of 1958, is "To stimulate and assist in the establishment at institutions of higher education of funds for the making of low-interest loans to students in need thereof to pursue their courses of study in such institutions."

It is intended that the loan program will accelerate the enrollment in colleges of such superior secondary school graduates who (a) express a desire to teach in elementary or secondary schools, or (b) whose academic background indicates a superior capacity or preparation in science, mathematics, or modern foreign language.

The Act does not restrict the loans to students in any special field of study.

However, when the total loan funds available at the given time are inadequate to assist all qualified applicants, special consideration must be given to the two categories mentioned above.

Students seeking information regarding eligibility and application should communicate with the Office of the Dean of Students, Room C-104.

## THE LIBRARY

The office of the Librarian is located on the first floor of the College Library.

The building, erected in 1952, is located on the Olney Avenue side of the campus. Its collection of approximately 50,000 books and 300 magazine subscriptions is centered around the College curriculum and provides most of the books a student is ordinarily called upon to consult.

### *Withdrawal of Books*

Each student will be given a library card entitling him to withdraw books

for home or library use. He must present this card each time a book is withdrawn, and he shall be held responsible for all books drawn on the card. Books may be retained for a two-week period and may be renewed once.

Reference works (dictionaries, encyclopedias, and the like) are shelved in the main reading room. These are for use in the library only and may not be withdrawn for outside use.

Books placed on reserve by faculty members for the use of students may be withdrawn for use in the library. Some may be taken out for overnight use. Regulations concerning these are posted in the "List of Reserve Books" at the Reserve Book Desk on the second floor.

A fine of two cents per day (higher in the case of reserved books) is charged for books not returned on time. During the period when a student owes a fine or retains an overdue book, his library privileges are suspended.

BROTHER D. JOHN, F.S.C., PH.D.  
*Vice-President and Dean of  
the College*

## THE DEAN'S MESSAGE

My dear students:

You are attending La Salle at a time when the College is experiencing a vigorous development, both in its physical facilities and its internal organization. It is exciting to be a part of this growth, to share the hopes of the future, and to see the fruits of careful planning and effort.

These rapid changes are spectacular, because they are external. But even more important are the changes that occur in the heart and mind of the students of La Salle. The College is completely devoted to helping her sons mature spiritually and intellectually, and her first glory will always be the student who has learned to be thoughtful, understanding, and responsible.

Best wishes to each and every student at La Salle College for a most happy and successful year.

BROTHER D. JOHN, F.S.C.

### *Registration*

A student has registered when he has completed the required form cards and has complied with the directions given below.

The cards are approved by a member of the Registration Committee under the direction of the Assistant to the Dean. They are taken to a member of the Business Office staff for approval. This staff member will return to the student the stamped course cards and a roster card for the student's use.

Four identification photos, one-and-a-half inches by one-and-three-quarters inches, are required of all new students. Normally these are taken during the period of orientation. The photographer will issue a card which will permit the student to proceed to registration.

### *Attendance*

A student is expected to attend every class in each course for which he is enrolled. A student is held responsible for all the work that he missed as a

result of absence from class or laboratory.

Failure to be present in class or a laboratory ten minutes after the time when the instructor in charge opens a scheduled class or laboratory exercise constitutes an absence.

A "cut" is defined as a voluntary, unexcused absence. Using this meaning of the term, it appears reasonable to accord the privilege of unlimited "cuts" to men on the Dean's Honor List but to frown on any "cuts" at all on the part of men on probation.

A student in good standing is permitted in each semester a maximum of "cuts" equal in number to twice the number of semester credit hours assigned to that course. "Cuts" are not to be regarded as a right but as a privilege reserved for conflicts with extra-curricular engagements, for sickness, and other unforeseen circumstances. A student is held responsible for all work missed because of "cuts."

Students on the Dean's List are excused from the regulations governing

attendance at class. However, they are expected to fulfill the requirements of every course rostered, whatever be the nature of the requirements.

All students are expected to attend classes regularly. Cumulative absences of more than one week in any course are regarded as excessive. The instructor of the course will deal with such cases in accordance with the circumstances which necessitated the absence and will notify the Dean of the respective School in either case. A student who is absent to excess and without good reason is given a grade of "F."

All absences will be treated as unexcused absences unless excused by the respective Dean.

Absences are computed from the first class meeting of the semester. Absences due to late arrival, to postponement of enrollment, to change of courses, to unsatisfactory placement, are charged against the student unless excused by the respective Dean.

Anticipated absences from class be-

cause of extra-curricular or academic engagements must be reported by the student to the respective Dean's office no later than one day before the actual day of absence. Where a group is involved, the proper authority in the group must arrange for the excuse.

### *Scholarship Index*

A scholarship index system is used at La Salle to determine a student's average grade. In determining the index, each letter grade is ascribed a numerical value, called grade points. "A" is valued at 4 grade points; "B" is valued at 3 grade points; "C" is valued at 2 grade points; "D" is valued at 1 grade point; "F" is valued at zero grade point.

A grade point score is calculated for each course by multiplying the numerical equivalent of the letter grade by the number of semester hours. The index, or the average grade of all courses, is found by dividing the sum of the grade point scores for all courses by the total number of semester hours.

*Academic Censure*

Academic censure may assume any one of four forms, depending on the gravity of the situation calling for scholastic discipline. An evaluation of student records is made at the end of every term.

(a) Warning. An official warning is given to a student who has received "Failure" grades in one-third of the semester hours which comprised his official roster for the term last completed.

(b) Probation. A student is placed on probation when: (1) he has attained a cumulative scholastic index of (a) less than 1.50 at the end of the first semester, (b) less than 1.50 at the end of the second semester, (c) less than 1.75 at the end of the third semester; (d) less than 1.75 at the end of the fourth semester, (e) less than 1.90 at the end of the fifth semester, (f) less than 1.90 at the end of the sixth semester; or (2) he has received "Failure" grades in more than one-third of the

semester hours which comprised his official roster for the term last completed.

A student on probation forfeits the privilege of cuts, participation in extra-curricular activities and eligibility to class or club office.

c) Suspension. This is forced withdrawal from courses and residence with the privilege of returning at the discretion of the Dean of the Cognate School.

d) Dismissal. This is forced withdrawal from courses and residence without the privilege of seeking readmission.

A student is liable to dismissal: (1) when he has attained a cumulative scholarship index of (a) less than 1.00 at the end of his first semester, (b) less than 1.00 at the end of his second semester, (c) less than 1.50 at the end of the third semester, (d) less than 1.50 at the end of the fourth semester, (e) less than 1.75 at the end of the fifth semester, (f) less than 1.75 at the end of the

sixth semester; (2) if he has received "Failure" grades in one-half of the credit hours of his official roster for that year; (3) if he has been on probation for two terms.

### *Dean's Honor List*

The Dean's Honor List is published at the termination of each semester.

Those students who have a cumulative average of 3.4 are placed on the Dean's List. To be eligible for this list, a student must have complied with all of the regulations of the College and must be free of all academic censure. Freshmen are not eligible for inclusion on this list.

### *Change of Courses*

A student may make, with the written approval of the Dean, a change in his roster of courses during the first two days of each semester. Courses dropped or discontinued without the written approval of the Dean after this period are recorded as "Failures" and are so evaluated for all purposes. The

classes missed in the course to which the student transferred ordinarily are charged against the student.

### *Withdrawals*

A student who withdraws from the College must submit a written statement to that effect to the Dean of the School. In the event that a student withdraws without submitting the above notification, except where parents or guardian have made a similar request in writing, honorable dismissal is not granted. The date of filing a notice of withdrawal is considered as the date of withdrawal in all cases.

### *Student Directory*

A card file containing the name, address, telephone number and current roster of each student is located in the office of the Dean of Students. Students are requested not to approach any other office in search of this information. The student directory, located in the above mentioned office is for general reference.

*Bulletin Boards*

There are two official bulletin boards. The Office of Academic Affairs has for publication of notices the boards outside the Deans' office. Other bulletin boards on academic affairs are departmental. Students are held responsible for all notices appearing on the official bulletin boards within twenty-four hours after posting.

The office of Student Personnel has for publication of notices the boards located near the Twentieth Street entrance to the College building, as well as the bulletin boards located in the College Union. Student groups making use of the bulletin boards for announcements of their activities shall type or print neatly such notices on a piece of paper that measures approximately eight inches by eleven. For shorter notices, a piece one-half this size may be used. Notices which are carelessly prepared are subject to removal without explanation. After a notice has expired, those responsible

for its posting are expected to see to its removal.

Posters or notices advertising events held outside of the College's jurisdiction must have the permission of the Dean of Students before they can be exhibited on the official bulletin board.

Posting notices of college events on the campus grounds must have the permission of the Dean of Students.

Students are prohibited from affixing notices to any part of the woodwork or walls in corridors and classrooms.

Failure to comply with these regulations will subject students to disciplinary action.

### *Outside Work*

A student who plans to support himself in whole or in part during a semester should obtain the approval of the Dean of Students and should report the details of the proposed employment to the office of the Dean of Students. This may be done at the semester registration periods. The sole reason for

this is helpful guidance of the student's program of study.

### *Student Discipline*

There is no elaborate set of regulations which defines the conduct of La Salle men. They are expected to act at all times with the propriety befitting college gentlemen. Any departure from this standard of conduct, on or away from the campus, is subject to such disciplinary action as may be directed by the President, the Dean of Students, or Dean of the College after the Faculty Disciplinary Committee reviews the case.

This non-scholastic disciplinary action may take one of the following forms:

A. Probation—wherein a student has shown himself guilty of misconduct sufficiently grievous to warrant notice by the College authorities and where his status as a College student is such that privileges (including academic) ordinarily granted a student are temporarily denied him. A student on

probation is subject to close supervision by the faculty. The time limit for the period of probation is set by the Dean of Students.

B. Suspension. Such action is taken when the misconduct drawing censure assumes grave proportions. Suspension means exclusion from classes until the end of the semester during which the student draws such action upon himself. Suspension does not deny the student the privilege of re-entering.

C. Dismissal. A serious breach of the canon of conduct expected of college young men may result in dismissal. Such action means exclusion from classes without the privilege of re-entering them. Usually such action means dishonorable withdrawal and an entry is accordingly made on the student's permanent record.

### *Conduct of Examinations*

Examinations are held in all courses at various times throughout each semester as scheduled by the instructor.

Regularly scheduled final examinations are given at the end of each semester. The schedule for the final examinations is published in the *Collegian* and posted on the Bulletin Boards.

In all examinations students are expected to conduct themselves with the highest degree of integrity as befitting La Salle College men. Dishonesty or other improper conduct during the administration of any examination will subject the student to appropriate disciplinary measures.

### *Demeanor*

The deportment, dress, posture, actions, language, and tone of voice of cultured college men are expected at all times.

A student presents himself properly dressed for class in a suit, shirt and necktie. Should he so choose, the student may wear a sport shirt provided he wears a coat. A sweater or jacket may be worn with a shirt and necktie. The wearing of bermuda shorts is not considered acceptable campus attire.

The professor is within his right in insisting on the student regulation concerning correct dress in class.

The tone of voice should be lowered when in close proximity to the chapel, in the corridors during class hours as well as during change of periods, in the library and in general, whenever charity or the promotion of an environment of study and the well being of fellow students demands it.

### *Alcoholic Beverages*

It is forbidden that any class, club or organization be responsible for the dispensing of alcoholic beverages at functions sponsored under the name of La Salle College.

### *R.O.T.C.*

In addition to the regulations contained in this HANDBOOK, R.O.T.C. students will comply with the Cadet Regulations published by the Department of Military Science.

### *Property Damage*

In the event of damage to any building furniture, apparatus, or other property of the College, students responsible for such shall be held liable and subject to disciplinary action.

### *Smoking Regulations*

Smoking is prohibited at any time in all classrooms and laboratories; inside the College auditorium and Union theatre and on the stages; inside the Faculty residence; in any part of Benilde Hall. Smoking is permitted outside of all buildings; in designated areas such as the corridors of College Hall, the lobby of the auditorium, the stairwells of all buildings excepting Benilde Hall, the corridors and meeting rooms of the College Union; and in general wherever ashtrays have been officially provided for this purpose.

*Campus Pride*

Students are requested to respect the neatness of College buildings and grounds. Receptacles are provided for articles to be discarded.

Students using the facilities of the cafeteria are urged to remove eating utensils when finished in order to provide table space for their fellow students. Lunches are to be eaten in the cafeteria. No lunches are to be eaten in classrooms, corridors, laboratories, or lounge rooms. It is specifically forbidden to eat lunches on the College quadrangle.

Students are not permitted to use the quadrangle or the lawn in front of the Residence Halls as a playfield.

Students are strongly requested not to make short cuts through the quadrangle and other lawns.

### *Parking Regulations*

Parking is prohibited inside the campus gates. Students are subject to fines for violation of parking regulations.

### *Non-Liability*

The College will not be responsible for books, articles of clothing, etc., left behind by the student when he leaves the premises or even when he is on the premises; nor will it assume responsibility for the loss due to theft, fire, etc., of books, clothing, or other articles in possession of the student.

### *Insignia*

No insignia bearing the seal of the College can be used by any organization without the specific approval of the Dean of Students in each case. This refers to club keys, class rings, and any other emblems bearing the College seal. The sale of class rings bearing the seal of the College shall be transacted through the College store.

Students are not permitted to wear

athletic insignia of other institutions on the campus.

### *Advertisements*

No student may solicit or accept advertising material or enter upon any contracts pertaining thereto for use in any publications, programs, or announcements connected with the College in any way unless both the purpose of the advertising and the names of the prospective advertisers are approved by the Faculty Adviser and the Dean of Students.

### *Campus Store*

The La Salle College Campus Store is a service provided for student convenience. All books, supplies, and class materials may be procured there. It is the policy of the Campus Store to offer these necessities at reasonable prices. The Campus Store provides the student with the opportunity to procure such articles as sports wear, jewelry, pennants, religious articles, novelties, etc.

### *Merchandising*

All students are forbidden to engage in merchandising of any kind on the premises of La Salle College.

### *Mail*

Day students are not permitted to use the address of La Salle College for the receiving of their personal mail. Mail addressed to students concerning school activities is delivered to the post office in the College basement. Student-boarders will be provided with post office facilities in this same vicinity.

### *Telephone Messages*

Telephone messages are not delivered personally except in cases of emergency.

### *Use of Facilities*

Permission to use class or lecture rooms for student meetings must be secured from the office of the Director of the College Union.

Student groups desiring to use the auditorium, lounge or any campus facilities for general meetings or social

functions should submit a formal request to the office of the Director of the College Union after first securing the signature of the Faculty Adviser. Each of these requests must be submitted on the form entitled "Reservation of Facilities" which may be secured from the office of the Director of the College Union.

### *Public Address System*

Announcements over the public address system are prefaced by the signal, "Attention Please." Students are requested to pay close attention to such announcements.

### *Lost and Found Department*

Lost or found articles are to be reported to the office of the Director of the College Union.

### *Graduation and Honors*

The bachelor's degree with honors shall be conferred on a student who has completed his course at the College with an average of all marks not lower than 3.4 and without having incurred

the penalty of loss of good standing for disciplinary reasons.

In the computation of honors, the candidate for the bachelor's degree who has earned an average of 3.8 in all courses will be graduated with the designation maxima cum laude.

A candidate who has earned an average of 3.6 during the same period of time, will be graduated with the distinction magna cum laude.

A candidate who has earned an average of 3.4 will graduate with the distinction cum laude.

Honors are computed on the basis of the work done for eight semesters.

Only the names of those students who are to receive degrees on Commencement Day will appear on the program of the graduation exercises.

All students who are to receive degrees on Commencement Day are required to attend the Commencement Exercises, unless specifically excused by the Dean of Students.

*Requirements for a Degree*

(a) The candidate for a degree must have completed course work equivalent to a minimum of 132 semester hours.

(b) He must have obtained a "C" average or cumulative index of 2.00 in his prescribed program of studies.

(c) He must have fulfilled all course requirements prescribed for him by the Dean in his chosen area of concentration.

(d) He must have fulfilled the requirements in Philosophy and Religion.

(e) Eight semesters of collegiate study are required for a degree. The final two must be spent in residence at La Salle; that is, as a student following a full program.

## MESSAGE OF THE DEAN OF STUDENTS

Traditionally, the campus world has been divided into academic and non-academic, curricular and extracurricular experiences. Student activities are part of the cultural pattern of student life and, therefore, in the same fashion as in-class activities, constitute educational experiences. The goals you set for yourself in the classroom and in extracurricular activities need not point your energies in different directions. In both cases you hope to become more mature in your judgments, to develop your intellectual capacities, and to grow in every facet of your personality.

Keeping in mind that good scholarship is the prime objective of your life at La Salle, may I invite you to consider the educationally valuable opportunities which are available to you in one or more student activities. Such participation will help you in the development of the skills required in working with others and will contribute to a living definition of intellectual, social and religious values.

I wish you success in your student undertakings during the scholastic year to come.

BROTHER GAVIN PAUL, F.S.C.

## AIMS AND OBJECTIVES OF THE STUDENT PERSONNEL PROGRAM

Christian Education aims at the perfection of the whole man—physical, spiritual, intellectual, moral and social. Personnel Services provide for the development of these facets of a student's personality.

La Salle College, in keeping with the aims and objectives of Christian Education and the Student Personnel point of view, recognizes that higher education should be complete; that the students should be provided with the opportunity to develop intellectually, emotionally and politically and that they should be provided with recreational opportunities.

Therefore, the Student Personnel Program at La Salle College offers the following:

1. A special service to the student of trained counsel to assist him in thinking through his educational, vocational and personal adjustment problems.

2. A program of orientation and an office to meet the needs and interests of the first year student.

3. Physical services in the form of a health program and athletic activities.

4. Housing and food services to the end that they provide for physical comfort and education in group life.

5. A program of activities arising from mutual interests of students and a program of recreational activities.

6. Opportunities for part time employment and financial aid to worthy and needy students.

7. A bureau to help the student find needed part-time employment during college and appropriate employment after leaving college.

8. A program for further social, educational and professional development of the members of the alumni.

9. A program of religious activities and religious counseling.

## PRE-COLLEGE GUIDANCE SERVICES

*Office of Admissions*

C105

*Counseling Center*

C100

La Salle College is interested in presenting the aims and objectives of the institution to prospective students and to their parents.

Ordinarily a student interested in entering La Salle College writes to the Director of Admissions for an application blank, a college catalogue, and a form on which his high school record is to be submitted. The high school record and appraisal by the school is to be mailed directly from the Office of the Principal.

After the student has been admitted to the College, preregistration counseling is made available to him by the College Counseling Center. This counseling is designed to stimulate and assist self-evaluation on the part of each student to help him make educational and vocational plans which are

commensurate with his abilities, interests and personality.

The counseling program is compulsory for all newly matriculated students. It includes a battery of psychological tests and is followed by an interview with a counselor in which the student is afforded an opportunity to discuss his scholastic plans. It is during this interview that the test results are interpreted for the student; he is then better prepared to arrange his academic program.

When further counseling or other special assistance is deemed necessary, the student is apprized of this need, and if he chooses, may make use of the College counseling service in resolving his difficulty. Contacts are maintained with various agencies outside of the College and students are referred to these when necessary.

The counseling service is available to the student on a voluntary basis throughout his College career.

## FRESHMAN ORIENTATION

*Office of the Dean of Students*

C-104

*Student Council*

CU 3rd fl.

La Salle College has a program for acquainting students with the buildings and the grounds of the campus, with the health, recreation, personnel services, the curricular and extracurricular program and with the traditions and standards of the College.

All entering Freshmen are required to report a certain number of days before the opening classes in September. Part of this period is taken up with the mechanics of registering for courses for the fall term. The bulk of the time, however, is given over to an intensive one-credit course in College Orientation.

The Orientation Program is a project of the Student Council and the Dean of Students and is aimed at facilitating the transition from high school to college life. Lectures are

included on such topics as study habits, note-taking and other aspects of college study and on the aims, ideals and traditions of La Salle College. At this time new matriculants are introduced to the social life of the college and to other co-curricular activities. Appropriate religious activities constitute an integral part of the Orientation Program.

## COLLEGE ADVISORY SYSTEM

*Office of the Deans*

C103

### *Freshman Advisers*

Early in the Freshman year faculty members are assigned to assist the new student to adjust himself to the change brought about at the start of his college career. Freshmen should seek the help of their Advisers so that they can prepare themselves to make an intelligent choice of the Area of Concentration from which their major field will be selected. Freshman Advisers precede Course Advisers in the academic guidance program.

### *Course Advisers*

Academic guidance is necessary to enable students to derive the utmost benefit from their programs of study. Members of the faculty are appointed to give assistance in the selection of programs of study and of courses within such programs. Course Advisers work under the direct supervision of the Dean's office.

Freshmen are to register during the third week of May with the Course Adviser of the Area in which they are working.

Sophomores are to register during the second week of May with the Course Adviser assigned to the Area of Concentration of their choice.

Juniors will be interviewed by their Course Advisers during the first week of May.

In Areas where a student builds his roster for the following term from Electives (e.g., a student who is following a Liberal Arts program; Education

students seeking certification in various fields, etc.) it may be necessary for him to consult with his Course Advisers before the close of the current term. In such cases, a final roster must be approved for a student before the beginning of the following term.

Every student must have his roster approved and signed by his Course Adviser before turning in his selection of courses to the Dean's office.

## COUNSELING SERVICES

*Counseling Center*

C100

As one of its services the College maintains a Counseling Center staffed by professionally trained personnel to assist the student in matters pertaining to vocational decisions, personal adjustment, and educational planning.

The student is encouraged to utilize the services of the Center throughout his college career as the need arises.

The following services are available to the student through the Counseling Center:

### *Pre-College Counseling*

All newly matriculated students are required to take a battery of psychological tests and to have an interview with a counselor to discuss the test results and the student's plans for the future.

The purpose of this service is to assist the student in making career choices that are appropriate to his aptitudes, interests, and personality, and to aid him in selecting a program of studies that will help achieve his chosen objective.

A brochure, *Careers and Courses*, which describes the areas of concentration at La Salle and the careers for which each prepares the individual is given the new student to further aid him in making his plans.

### *Other Counseling Center Services*

Throughout the period that the student is in attendance at La Salle several other Counseling Center services are available to him on a voluntary basis. These include:

### *Vocational Counseling*

Students who request this assistance are provided the opportunity of exploring more fully their own interests, aptitudes, and personality, and the various careers open to them.

### *Personal Counseling*

Students who feel the need for assistance in resolving personal problems may avail themselves of the services of the trained psychologists who staff the Counseling Center. When the student's problem is of such a nature that he can best be helped elsewhere, an appropriate referral is given him.

### *Information: Occupations and Post-College Study*

Extensive files are maintained for two types of information students find essential in planning their future. This information pertains to occupations and to post-college studies.

An up-to-date file of occupational information is maintained in the Counseling Center. In this file the

student will find for a wide variety of careers information about the nature of the career, requisite training for entry, starting salaries, an estimate of the number of jobs available each year, and other such data.

For students planning further studies beyond college a library of current graduate and professional school catalogs is maintained in the Center. In addition, there is in the Center an extensive and up-to-date directory of fellowships, scholarships, and other types of financial assistance available to men who pursue post-college studies.

The two types of information are for the student's use at any time he wishes. It is advisable to become familiar with the information early in one's college career, however, for some occupations and some graduate programs require special types of training.

### *Selective Service Information*

Students who wish information or clarification concerning selective serv-

ice laws and procedures as they pertain to college students may inquire in the Counseling Center.

## READING IMPROVEMENT

*Reading Center*

*B-109*

An intensive program of reading and study habits improvement is offered several times a year. Through this program students are assisted in the improvement of reading comprehension and speed as one of the basic skills in effective study. Vocabulary development is emphasized; and while the course is not primarily a mechanical one, the latest speed reading equipment is made available to the student. Most participants in this activity are able to make a substantial improvement in reading.

## THE COLLEGE HEALTH PROGRAM

*College Infirmary*

*St. Cassian Hall*

The College maintains a Health Service for the purpose of promoting the general health of the students and enlisting their cooperation in safeguarding themselves from preventable

illness and accidents, which might otherwise lead to absence from classes and interruption of their program of study.

The principal component of the Health Service is the medical Infirmary and Dispensary, under the direction of the College physician, and a Registered Nurse, located in St. Cassian Hall. The regular hours for treatment and consultation are from 9:00 A.M. to 3:30 P.M.

For resident students, the Infirmary provides temporary hospitalization for minor illness; for serious or prolonged illness, removal to a local hospital is arranged by the College Physician.

All resident students are required to have a physical examination by the College Physician, upon entrance.

The clinical facilities of the German-town Hospital (two city blocks distance) are at the disposal of any student, in case of emergency.

To provide necessary medical protection at a reasonable cost, a number of insurance plans were examined, and

after a thorough study the plan adopted provides coverage for the twelve-month period for \$25.00, and covers both illness and accident. Participation in this program is optional. All foreign students or those whose home is outside the United States are required to have this protection. Arrangements can be made through the office of the Dean of Students or the Infirmary.

## PLACEMENT BUREAU

*Placement Office*

C.U. 2nd fl.

Much of a man's happiness and accomplishment in life, and the happiness and accomplishments of the family which he most likely will have, depend upon his right choice of an occupation. The Administration of La Salle College in 1950 established a coordinated, centralized Placement Bureau to provide students with a channel through which the choice may be made.

The Placement Bureau, with offices in the College Union building, has two chief objectives: (1) to assist seniors and alumni in seeking and getting

meaningful postgraduation employment and (2) to assist employers by providing a single point of employment contact with La Salle.

Working in close conjunction with the Counseling Center, the Placement Bureau provides (1) Information Service by means of a large and growing library of books, magazines, directories, company lists, company literature and company employment application forms; (2) Counseling Service, by the Placement Bureau staff, available to seniors and alumni on all phases of employment; (3) Interview Service, arranged by the Placement Bureau and conducted through much of the school year. Many of the country's major industries, local businesses, and Government agencies send representatives to the campus each year for such interviews.

The Placement Bureau exists not primarily to get a job for a senior or alumnus, but to help the student or alumnus get his own job. The final responsibility for employment is with

the man himself. It is important that the student, with the special aid of his parents, begin early in his school career, to prepare himself by investigation, reading, counseling, tests and work experience, for his ultimate choice of post-college employment. The student who thus zealously prepares himself will find the service of the Placement Bureau much more valuable.

### *Student Part-time Employment*

Students who require funds to meet minimum college expenses are assisted by the Placement Bureau, where the employment of La Salle men is centralized. Outside work paid for by the employer is arranged when available. Students should not depend upon such employment to produce a fixed income, because scholastic eligibility, free time available, and special ability to perform desirable work must be considered in connection with such work.

Definite jobs to meet expenses cannot be counted upon by an incoming student since the availability of these

jobs depends upon the general and seasonal activity of local business. The offices of the Placement Bureau, located on the second floor of the College Union, are open two nights a week for the benefit of Evening Division students seeking employment.

## ON-CAMPUS EMPLOYMENT

*Placement Office*

*C.U. 2nd fl.*

The student personnel for on-campus jobs is supplied through the Placement Center.

Students requiring financial assistance available from this part-time employment should file a special application at this office.

## HOUSING PROGRAM

*Office of the Dean of Students*

C-104

Residential life on the Campus of La Salle College is a positive influence in the educational experience of the student and thus a valuable adjunct to the educational processes carried on in the classroom, laboratory, and library.

Students who live beyond commuting distance and who are unable to live at home or reside with close relatives are required to live in the College Residence Halls.

Exceptions to this rule will be allowed only with special permission from the Dean of Students and with the consent of parent or guardian.

### *Contract of Lease and Deposit*

All students residing in the Residence Halls are required to sign a Contract of Lease. Except in the case of mid-year completion, contracts are

written to include both the Fall and the Spring Term.

Resident students are held responsible for any loss or damage to the Residence Halls' equipment, their room, or any part thereof, when such loss or damage occurs through their negligence or improper use.

Where the cost of repairs or replacement is in excess of the student's damage deposit balance, the student is required to reimburse the College for such excess amounts.

In the case of voluntary non-occupancy, the student's application for Room Accommodation Deposit is forfeited.

The College reserves all rights concerning assignment or reassignment of rooms or termination of their occupancy. Rooms are assigned by the Residence Director. A student loses his right to a room in the College Residence Halls whenever he ceases to be a student at the College

Occupancy may begin the day be-

fore the first day of registration and it may continue until twenty-four hours after the last final examination for the Spring Term, or, in the case of seniors, until twenty-four hours after Commencement.

### *Some General Hall Rules*

1. La Salle College students are expected to be gentlemen at all times. Any conduct unbecoming a gentleman will be considered a breach of discipline and will incur a penalty appropriate to the offense.

2. Electrical appliances, other than lamps, razors, radios, fans, and record playing machines will not be permitted in rooms. Radios must not be used if they are heard outside of the rooms. Television sets will not be permitted in student rooms.

3. Storage or preparation of food and beverages is prohibited in the Residence Halls. Dishes, glassware and silverware must not be taken from the dining hall.

4. Each Residence Hall is provided

with a combination lounge, recreation and reception room. This room is reserved exclusively for resident students and visiting guests. Day students are not permitted to use this room, except with the express permission of the Residence Director.

6. It is positively forbidden to bring or use alcoholic beverages in the residence halls. Any evidence of abuse of drink will be considered a serious breach of discipline.

7. A student may be permitted the use of an automobile providing he has written approval of his parents or guardians and adequate liability insurance. This use of a car is controlled by the Residence Director. Cars must be parked in the specified area. Any

abuse will lead to loss of this privilege to have use of a car on campus.

8. The walls and woodwork are not to be defaced; pennants, pictures, etc., in good taste, may be attached only to the wooden molding mounted in each room. The display of signs or other articles apparently taken from public places is prohibited. Resident students are not permitted to add to the furniture already provided. Pictures in questionable taste are forbidden.

10. The possession of firearms, or any type of ammunition or explosives is strictly forbidden.

11. The Residence Halls are fire resistive buildings. Fire extinguishers and fire alarms are to be used only in cases of fire. Tampering with fire extinguishers or ringing the fire alarm constitutes a very serious breach of contract of lease as well as violation of the laws of the State of Pennsylvania

and the City of Philadelphia. Residents who violate this regulation will be liable to immediate expulsion from the Residence Halls and their status in the college will be subject to the decision of the college authorities. The use of kerosene, gasoline, benzine, or any similar inflammable material is strictly prohibited.

12. Students ordinarily will be granted permission of the Residence Director to visit home on week-ends and holidays. Week-end visits must be authorized in writing by parent or guardian for those below the age of 21.

A complete list of house regulations is available for all residents in the office of the Director of Housing.

## RELIGIOUS ACTIVITIES

*Office of the Chaplain*

C111

The religious activities of La Salle College seek to unite the academic, cultural, social, and athletic parts of campus life into the God-centered whole which is the ideal and peculiar mark of a Catholic college. This ideal is

pursued by providing opportunities for personal and private worship and by encouraging corporate worship and religious activity.

A well-appointed College Chapel is available both for private visits to the Blessed Sacrament and for college devotions.

The College provides a resident chaplain who is present for confessions and counsel at all times.

Daily Mass is said for the students at 7:25, 7:55 and 12:25. Confessions are heard daily during Mass and also from 12:00 to 12:25.

Weekly Sunday Mass and confessions are provided for resident students.

Devotions to Our Lady of the Miraculous Medal are held weekly during the evening hours for resident students and students in the evening division.

First Friday devotions consisting of Masses, Four Hours Exposition, and Benediction honor the Sacred Heart each month.

During May and October, special services in honor of the Blessed Virgin are held in the evening in the Chapel and at the Lourdes Grotto on the campus.

All Catholic students are required to make one retreat each year. They may fulfill this requirement by a week-end retreat at St. Joseph's-in-the-Hills Retreat House in Malvern, Pa., or at St. Pius X Retreat House in Blackwood, near Camden, New Jersey, or by making the three-day retreat held on campus each year during the first three days of Holy Week. Arrangements for week-end retreats may be made through the Office of the Chaplain. Written evidence will be expected from those who make the off-campus retreat. This should be submitted (for filing) to the office of the Dean of Students. A Day of Recollection is held for married students and their wives in the spring.

During the year certain feasts are celebrated by special Masses or devotions. A Solemn Mass of the Holy

Ghost begins each Academic Year, and an Evening Mass of the Holy Ghost begins the year in the Evening Division. A special Mass is celebrated on the feast of Saint Barbara, December 4th, the Patron Saint of Artillerymen, which all members of the R.O.T.C. unit of the College attend in uniform. A Solemn Mass in honor of Saint John Baptist de La Salle, the patron saint of the College, is sung each year as part of the Founder's Day exercises.

An announced Requiem Mass is said in the College Chapel after the death of any member of the immediate family of a student or a faculty member.

## THE ALUMNI ASSOCIATION

*Alumni Office*

*C.U. 2nd fl.*

The Alumni Association seeks to promote the welfare of La Salle College and to encourage good fellowship among its members. To achieve these ends, the Association works principally through the College Alumni Office, some thirty class organizations, geographical and professional units, and the "La

Salle" quarterly magazine which is mailed to all students and alumni of the College.

The Alumni Association is controlled and directed by the alumni in cooperation with the college administration. The governing board is called the Alumni Board of Directors, consisting of representatives from each graduating class, the Dean of Students of the College who serves as Alumni Moderator and an Executive Director of Alumni Affairs appointed by the College.

Alumni are encouraged to take an active part in attracting worthy and talented students to apply for admission; to take an intelligent interest in the academic affairs of the College; to support the College financially to the best of their ability; and to foster the growth of the College. These latter purposes are served through the Alumni Annual Giving Program. The facilities of the Alumni Office and the Placement Office are available to all students and alumni.

## STUDENT ORGANIZATIONS AND ACTIVITIES

Director of Student Organizations

B-203

Student Council

C.U. 3rd fl.

The Personnel Program aims to contribute to the full adjustment of the student by stimulating the development

and organization of campus clubs, by fostering a program of "student-initiated" activities and by developing opportunities for social and intellectual expression and relationships that are co-curricular and extra-curricular.

## CLASSES

### *Faculty Advisers*

A Faculty Adviser for every class and for every extra-curricular activity is appointed by the Dean of Students. He shall act as liaison officer between the organization and the Dean of Students, acting for the College administration.

The President of the class or organization should inform the Adviser of the time and place of all meetings.

The President of the organization should consult with the Adviser regarding the agenda of the meeting.

The Adviser shall act as judge in all questions as to the legality, propriety or diplomacy of decisions or actions of the organization or its members in what

concerns college regulations, cordial relations with other campus activities and inter-institutional relations.

The Secretary shall keep the Adviser informed concerning the membership of the organization. (This does not refer to classes.)

### *Officers*

The class officers shall be a President, Vice-President, Secretary and a Treasurer.

Any member of the class who is on probation may not serve as a class officer or chairman of any committee representing the class or the student body as a whole. Should a student who falls into any one of the aforementioned categories be placed on probation during a term of office, he loses his office automatically, and another student in good standing, may be elected to fill out the unexpired term.

### *Elections*

All elections and meetings must have the consent of and be supervised by the

Faculty Adviser and Student Council. The minutes of the meetings must be available to the Dean of Students upon request. Elections, appointments, as well as general or particular business of class or general student bodies, may be nullified by the Dean of Students when such is considered necessary for the common good.

Class officers for the scholastic year should be elected toward the close of the term preceding the scholastic year for which the elections are held. Ordinarily this period would fall during the final weeks of the Spring semester. The elected officers automatically take office at the last meeting of the year preceding the academic year for which they are elected.

The Freshman Class may elect trial officers during the Fall term, but their term of office will last only for the time specified by the Class. The final election of Freshman Class officers will be held at the end of the Fall term.

The method employed in the elec-

tions shall be similar to that used in civic elections. In general, this shall mean a written ballot to be cast at a central polling place.

That the election be considered valid, one-half of the total possible vote must be polled for any office in question.

A committee of three appointed by the Class President, or, when that is not possible, by the Faculty Adviser, shall comprise the official board to count the ballots and to announce the election returns. This board shall be under the direct supervision of the Faculty Adviser.

## ORGANIZATIONS

Student groups, organized for specific purposes, be they academic, social, religious, or athletic, contribute desirable outcomes to student life as a whole. Campus life is incomplete without such groups and organizations.

Student groups require the permission of the faculty. Application for approval should be filed with the Dean of Students through the Student

Council. Specific approval of the nature and purpose of such groups insures their harmonious blending into campus life. A group is given official status as a student organization when faculty approval is granted. The general regulations governing the conduct of classes as groups applies to particular student organizations likewise.

To avoid the vagueness and generality induced by large memberships, no group may comprise a number that exceeds sixty. When membership exceeds this level, there is great difficulty in preserving the specific objectives of a group and gradual disintegration with consequent dissolution results. Two copies of membership lists, including officers, should be filed with the Student Council. The Council will forward one copy to the Dean of Students.

Clubs and societies should work in close cooperation with their Faculty Advisers. This always insures unquestionable propriety.

Student delegates to intercollegiate

meetings must have the approval of the Dean of Students.

### *Expenditures*

1. All expenditures must be authorized by the Treasurer of the organization and must have the written approval of the President of the organization and the Faculty Adviser of the group.

2. A receipt must be obtained for every expenditure. Within a week after the holding of any function involving the expenditure of money belonging to the organization, a financial statement and all receipts must be approved by the Faculty Adviser and the funds deposited in the Bursar's office by the Treasurer of the organization. No funds can be withdrawn without the written approval of the Treasurer and Faculty Adviser.

3. Two months prior to the date of any function, the committee in charge shall present to the Faculty Adviser, or to the assembled members of the organization, a complete budget of expenses including the report of the

Treasurer of the organization. Once it has been approved, this budget may not be exceeded without the express consent of the Faculty Adviser.

4. All tickets must be numbered, including complimentary tickets. A master work sheet shall be kept at the door during the affair, listing each ticket, name of person holding ticket or student to whom the ticket was entrusted, and whether or not the ticket has been paid for.

5. Within a week following the function, as stated in Rule 2, the committee shall turn over to the Faculty Adviser as well as to the organization:

- (a) a complete financial report of all receipts and expenditures;
- (b) all receipts; and,
- (c) the master work sheet showing the status of all tickets printed.

6. The Treasurer shall keep an exact record of all receipts and expenditures in a book provided for the purpose. This book shall be available for exam-

ination by the President of the organization and by the Faculty Adviser. The Treasurer shall turn over this book to the Faculty Adviser at the time of the election of new officers.

# THE COLLEGE MARCH

## *"Men of La Salle"*

Men of La Salle, we are marching  
With our colors of Blue and Gold.  
Meeting our foemen with valor  
For we'll fight for the glory of old.  
So let's to the battle with courage  
For our goal is now in sight;  
And we'll hope, fight, and cheer  
With all our might so strong  
'Till nobly we have fought and won  
the fight.

## *Chorus*

Fight on to victory!  
Onward our watchword be.  
We're out to win this game with all  
its honor.  
For you, La Salle, we'll always fight  
and conquer.  
Fight on to victory!  
Let all your courage see  
And homeward we'll cheer thee  
As sons of La Salle  
So fight on to victory!
